MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Operations

FROM:

[REDACTED]
Director of Training and Education

SUBJECT: Covert Instruction Division Activity Report

1. I have attached for your information a report prepared by [REDACTED] Chief, Covert Instruction Division. The statistics and narrative comments speak for themselves and are even more impressive when you focus on the fact that all of this has been accomplished by a group of only 15 staff employees and numerous supporting annuitants.

2. If the Covert Instruction Division is to continue to provide this important service, it needs the support of all of us in providing the few good people needed for its staff positions and by resisting bureaucratic restraints that could impair the ability to employ able annuitants.
